# MASSAGE (GRAPSEED OIL)

SWEDISH massage is a technique that aims to promote relaxation by releasing muscle tension. It is gentler than deep tissue massage and better suited for people interested in relaxation and tension relief, and, may loosen up tight muscles caused by daily activities such as sitting at the computer or exercising.

## SWEDISH

Back & Neck (30min)	R 280
Full Body (60 min)	R 400
Foot Massage (30 min)	R 250

DEEP TISSUE massage is similar to Swedish massage, but it goes farther. Deep tissue massage targets the inner layers of your muscles, tendons, and fascia (dense Connective tissue). There is pressure and the pressure can sometimes be painful. Suited for athletes and runners.

## DEEP TISSUE

Back & Neck (30 min)	R 380
Full Body (60 min)	R 500
Foot Massage (30 min)	R 250

## NEOSTRATA FACIAL

*(All Facials includes Visia Consultation)*

### NEOSTRATA GLYCOLIC ACID PEELS R 400

Consist of the high concentration of glycolic acid with no down time. You will experience tingling and itchy sensation which will be controlled.

For the treatment of irregular skin texture, dullness, fine lines, dry skin, pigmentation and acne.

### NEOSTRATA RETINOL PEEL R 550

It contains 30% Retinol Boosting complex to exfoliate and improve skin's appearance.

For the treatment of ageing skin, acne and photodamaged skin.

### EXUVIANCE FACIAL R 460

For hydrated, plumped looking skin.

### VISIA CONSULTATION (Only) R 200
